Forecast For Wales
Issued by Met Office Exeter
at 0400 on Tuesday 20 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Mostly sunny, and feeling hot on Tuesday.

Today:
Any early low cloud, fog or mist will soon clear, leaving another mainly fine and dry day with plenty of sunshine. Some fair-weather clouds will form during the afternoon, and perhaps the odd isolated sharp shower. Feeling hot for most. Maximum temperature 31 deg C (88 deg F).

Tonight:
Another fine and dry night with clear skies across the country. Some low cloud or fog is likely to form along Irish Sea coasts during the early hours. Feeling warm. Minimum temperature 14 deg C (57 deg F).

Wednesday:
Another fine and dry day under clear skies, with plenty of sunshine and light winds. Feeling hot in many areas. Maximum temperature 31 deg C (88 deg F).

Outlook for Thursday to Saturday:
Fine and largely dry on Thursday and Friday with sunny spells and isolated, heavy showers. Rain, perhaps thundery arriving Friday night into Saturday. Becoming less hot.
